

10-10

S Y S T E M

The 2 two biggest things we can ever do for another person are:

1. Help them get their "ticket" to heaven.

(Through believing in the Lord Jesus Christ as their Savior and Lord.)

2. Help them get to heaven - WELL.

(Live this life with minimum needless personal damage and destruction,
and help them "be all they can be" in God.)

This book is written primarily for those people
who have their "ticket" to heaven.

**I believe if a person does the 2 things as described in this book,
it will best help them get to heaven WELL.**

**Jesus defined
the person
that loves Him:**

**(Please note - He did not define who loved Him
by how many times they went to church,
how much time they casually read the Bible,
how much money they gave, etc.)**

An abstract watercolor painting with a rich, textured background. The colors are a mix of warm tones like orange, yellow, and brown, and cooler tones like purple, blue, and green. The paint is applied in various ways, creating soft blends, sharp edges, and some darker, more saturated areas. The overall effect is vibrant and layered.

how to pray . . .**

**Jesus said,
Pray like this:**

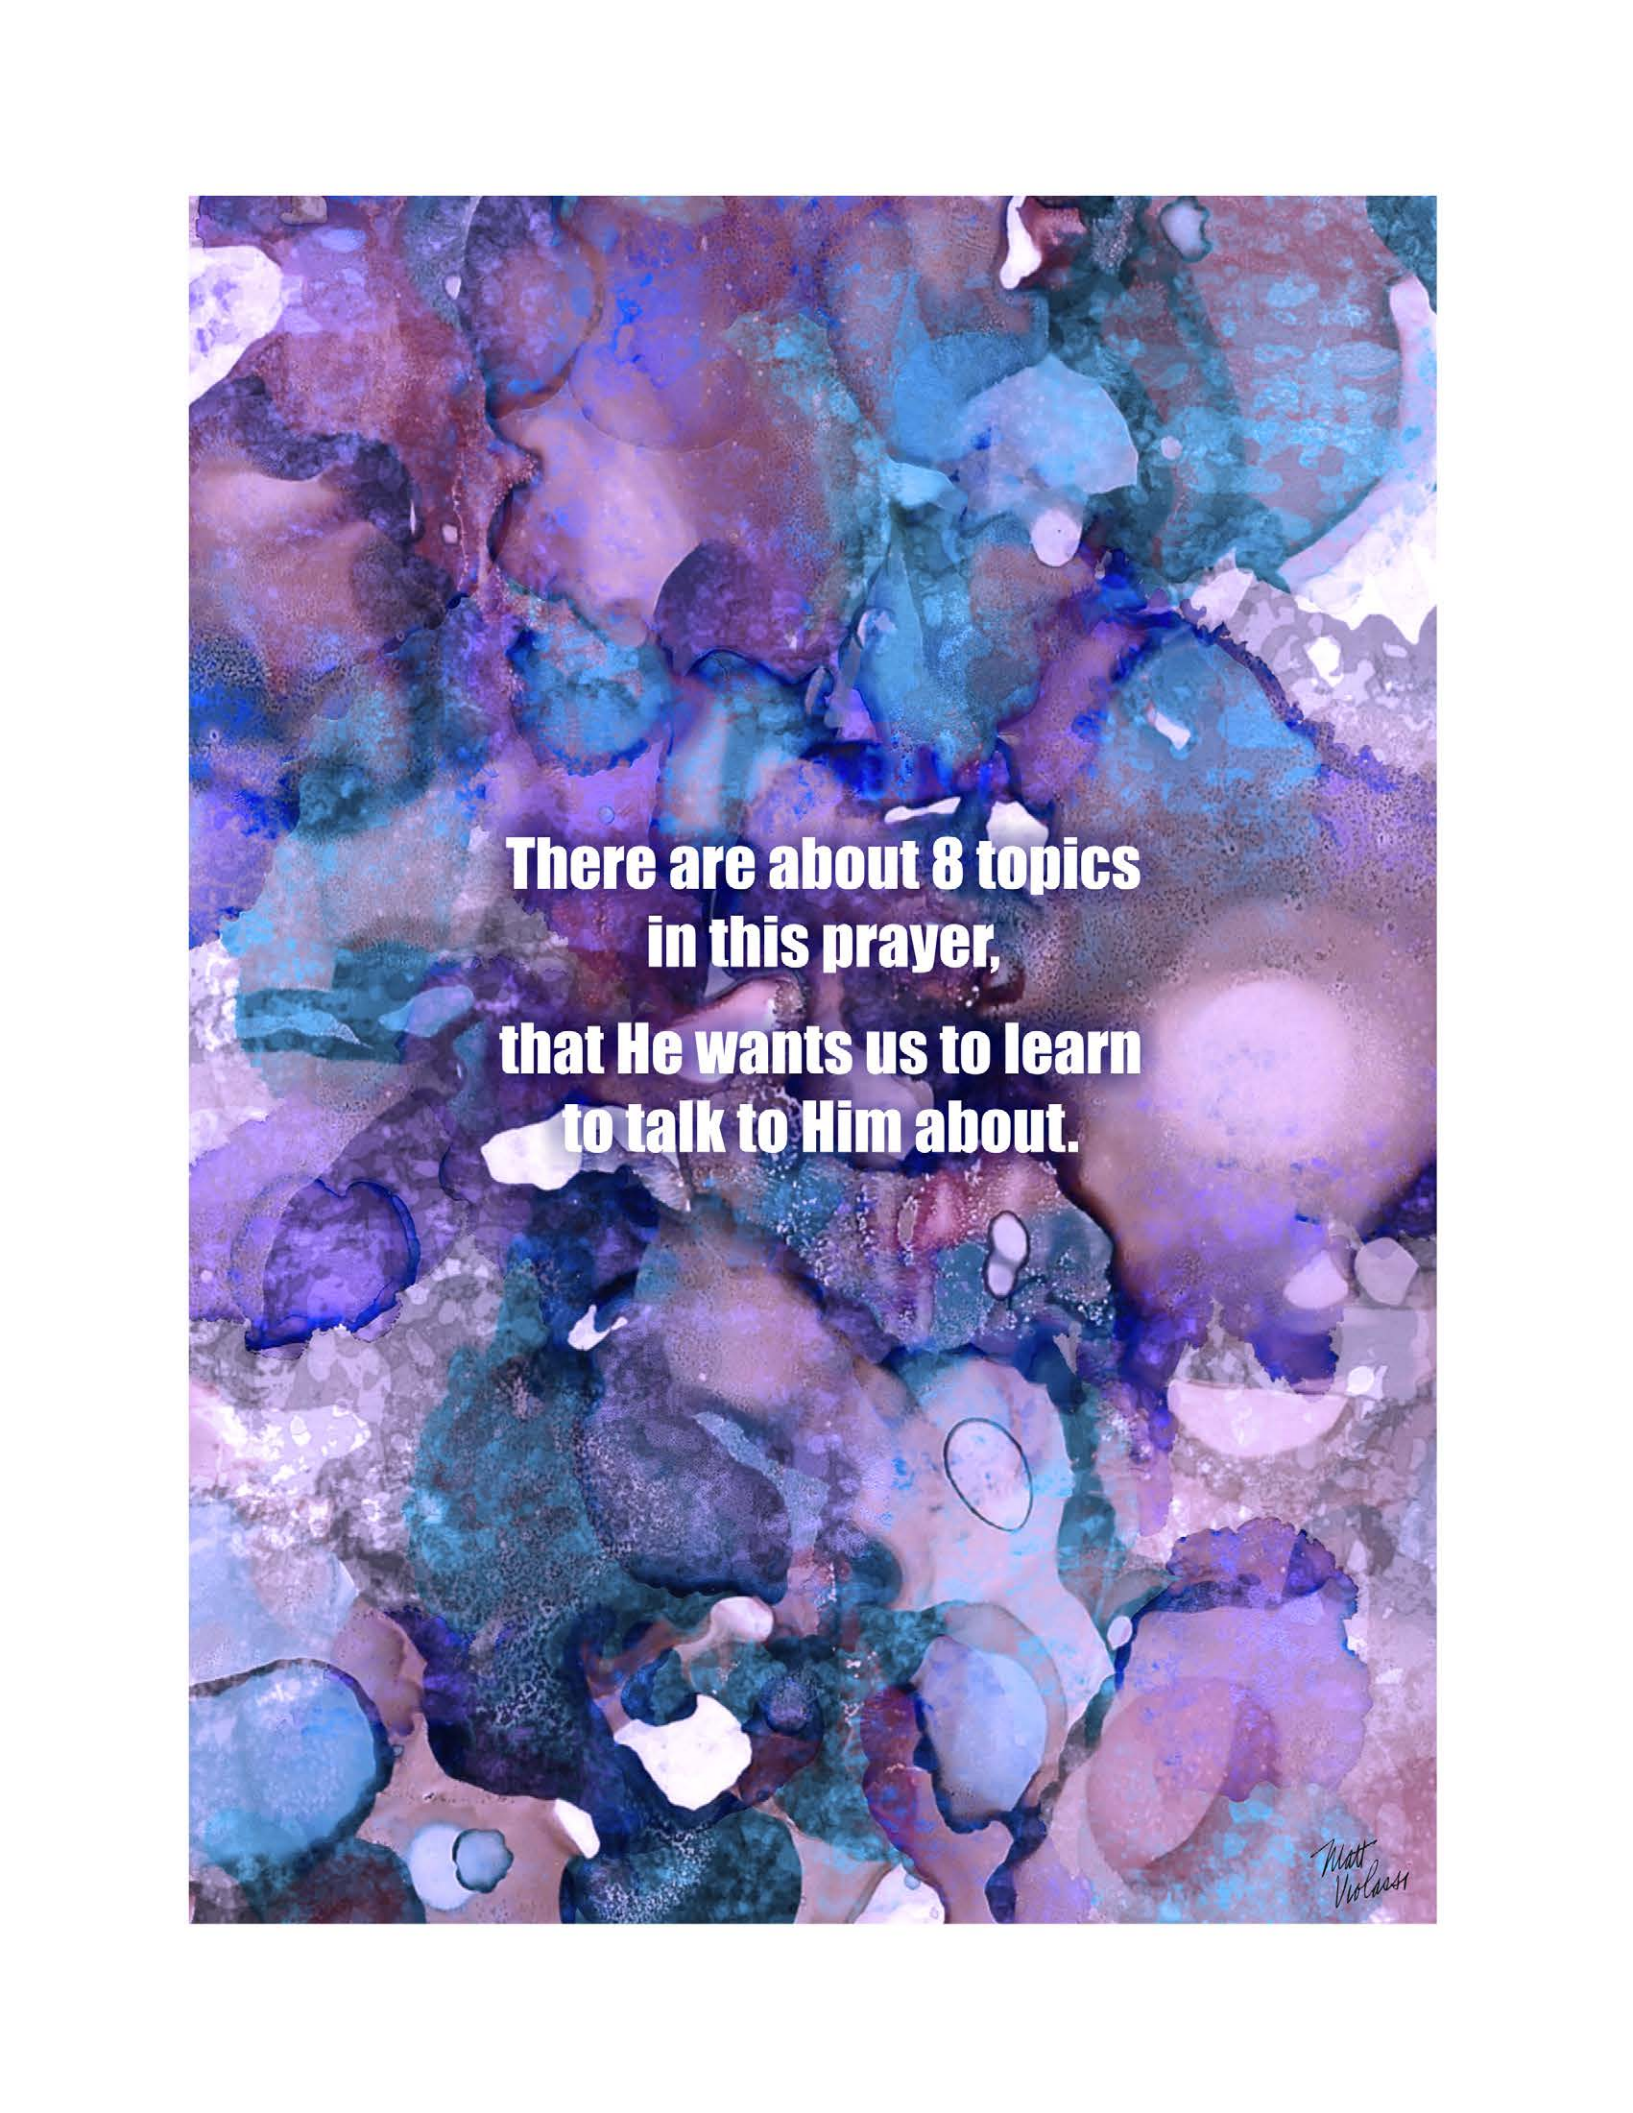

*Matt

**Our Father who is in heaven,
Hallowed be Your name.
Your Kingdom come.
Your will be done,
On earth as it is in heaven.
Give us this day our daily bread.
And forgive us our debts,
as we also have forgiven our debtors.
And do not lead us into temptation,
but deliver us from evil:
For Yours is the kingdom and power
and glory forever.**

Amen.

The background is an abstract watercolor painting. It features a complex, layered composition of colors including deep blues, purples, magentas, and earthy browns. The colors are blended and splattered, creating a textured, organic feel. There are some white, irregular shapes scattered throughout, possibly representing light or negative space. The overall effect is rich and textured.

**There are about 8 topics
in this prayer,
that He wants us to learn
to talk to Him about.**
